FOREWORD

1. The arrangement of the Minutes this year is to conform to the request of Dr. Joseph B. Hingeley, secretary of the General Conference, that the same order in printing be observed throughout the connection, this being the arrangement suggested.

2. A new feature of the Minutes this year is the Chronological Roll, prepared by E. McOmber. This is the first attempt at this, and corrections and suggestions will be welcome.

3. There are not many errors and omissions in these pages due to faulty proof-reading. They arise mainly from defective information furnished the secretary. He will esteem it a favor if you will call his attention to all errors that you observe, as soon as you see them. A postal card will do the work. Suggestions for the improvement of the book will be cordially welcomed.

4. The advertisers herein are all reliable and worthy of your confidence and patronage. If you do business with any of them, by mail or in person, kindly mention the fact that you saw their advertisement in the Columbia River Conference Minutes. This will make our advertising space more valuable, and you will thus do the conference and yourself a favor.

CLARENCE O. KIMBALL, Secretary,

Memoirs

MARTHA WEAVER RIGBY, was born at Pleasant Unity, West Morland County, Pennsylvania, May 26, 1847, and died at her home in Hood River, Oregon, April 28, 1911.

She was converted and united with the Methodist Episcopal Church in 1857, at the age of ten years, and has ever since been a devout and useful member of that Church.

For 31 years she was a teacher in public and high school.

On May the 23rd, 1901, Miss Weaver was married to Rev. J. W. Rigby of Hood River, and for ten years has made a superannuated Methodist preacher an ideal companion and help-meet. Not only did she make home cheerful and beautiful, but entered heartily into the work of ministering, for one-half of the time filling her husband's appointment while he was organizing the work at White Salmon, Washington. She founded the Church at Carson, and herself collected the first money for the building of that Church.

HAZEN OAKS was transferred into the Columbia River Conference October 19, 1905. U. F. Hawk and others spoke to his memory, but no memoir was furnished the secretary.

MRS. WILLIAM T. KOONTZ—Mary Ann Berry was born near Wheeling, Virginia, August 12, 1839, and died at Athena, Oregon, August 19, 1911, aged 72 years and 7 days.

In 1854 she was united in marriage to William T. Koontz, who preceded her to the Eternal Home on March 20, 1898. Of this union twelve children were born, eight of whom are left to mourn her loss.

Mrs. Koontz was in failing health for some time, and during the last six months she was entirely helpless. She was attended during her illness by her children, who did everything possible to alleviate her suffering. The end came very peaceably after weeks of racking pain.

Mrs. Koontz might almost be called a charter member of the Columbia River Conference, so intimately connected was she with the work of her husband, who was admitted on trial in the Oregon Conference in 1871, but by the division of territory became a member of the Columbia River Conference upon its organization in 1874. Early in life she had associated herself with the Methodist Episcopal Church, consecrated her life to God, and it was a natural thing for her to zealously support the labors of a pioneer preacher such as her husband was. Although it was her lot to be on the move almost continuously, after the fashion of those days, yet it was her privilege to have a host of friends wherever she lived and thus to exert an abiding influence. Thomas Lawson, the pastor at Athena, assisted in the funeral service which was conducted by John LeCornu.

GEORGE M. IRWIN was born in Ohio in 1832, left an orphan at an early age, cared for by an uncle. At proper age entered the Ohio Wesleyan University, from which he graduated in the early fifties. For a time was a law student but feeling it his duty to preach the Gospel, in 1854 he entered the Rock River Conference, was received into full connection by the Central Illinois Conference in 1856.

Brother Irwin served the United States as Superintendent of the Chemawa Indian School, United States Probate Judge in Alaska, from 1899 to 1903. In all these stations proving himself to be a faithful, efficient, Christian man. He leaves his wife, Lillian Irwin, M. D., to mourn with us his departure.

MRS. ANN CAMPBELL ROE was born in Rock Island, Illinois, February 3, 1833, and was removed to Oregon in the year 1852. On July 14, 1856 she was married to the Rev. George C. Roe who had already served two years as an itinerant Methodist preacher. From the day of their marriage to the time of his death, on October 6, 1896, she journeyed with him making a cheerful and faithful helpmeet during all the hardships of his life as a pioneer preacher.

After her husband's death Mrs. Roe made her home with her daughter, Mrs. C. E. Woodson, of Heppner, Oregon. During the last three years of her life she was confined to her room but she was bright and happy until the end.

MRS. SUSIE PEMBERTON SNELL, wife of Rev. E. J. Snell, was born June 24, 1876, in Forest City, Illinois. Here she spent her childhood days. At the age of fourteen she was converted and joined the Methodist Episcopal Church. At the age of eighteen she graduated from the Forest City school in which she was an instructor for three years. She was married to Rev. E. J. Snell September 15, 1897, to which union two daughters were born, Pauline Esther and Frances Margaret Snell. In 1900 they moved to Nebraska, in which state they remained five years coming to Washington in 1905, living in Asotin County two years. They moved to LaCrosse, Washington, the first regular charge held in the Columbia River Conference, where they remained for three years. At the last Annual Conference in Spokane they were appointed to the Elberton charge. After being on this charge five months, Mrs. Snell's health failed and she was advised by her physicians to go to Tacoma for a change of climate and special medical treatment. She remained in Tacoma from March until the time of her death which occurred June 27, 1911.

Former Members

The compilation of the historical data published herewith has been fraught with great difficulty because of the absence from the files of the Minutes of 1874, 1875, 1876, 1881 and 1882. Extensive correspondence with old-time members of the Conference has failed to discover copies of these Minutes. Likewise advertising for same in the Pacific Christian Advocate. It is feared that they are hopelessly lost. If anyone can give a clue to their recovery, please correspond with the Secretary. Send bits of information to the Secretary as they occur to you. Everything helps.

CLARENCE O. KIMBALL, Secretary.

Organization

RULES OF ORDER

I. The Conference shall open its session at 8:30 a. m. and adjourn at 12 m. The first thirty minutes shall be devotional services, under charge of the Presiding Bishop.

II. The bar of the Conference shall be fixed by vote; but preachers' wives and visiting clergymen are invited to sit within the bar.

III. All motions shall be reduced to writing, if the President or any member requests it and no report from Committees shall be received until duplicate copies are placed in the hands of the Secretary.

IV. It shall be the duty of every member to give his vote on all questions unless, for special reasons, the Conference excuses him; but no member who is not within the bar shall be allowed to vote except by leave of the Conference.

V. The vote on any question before the Conference shall be taken by roll call, if such is asked for by thirteen members.

VI. No person shall speak more than twice on the same question, nor more than ten minutes at any time, without permission of the Conference; nor shall anyone speak more than once till every one desiring to speak shall have done so.

VII. On the first day of the session, each preacher who has been in charge shall submit his statistical and financial reports.

The publication of reports handed in later than the second day is not required, unless so ordered by the Conference.

VIII. The Secretary shall keep a journal of the proceedings, and, when approved and printed, the minutes shall be the official record of the Conference. He shall take charge of the journals and all other Conference papers, preserve them with care, suffer no person to take a copy of any papers, except with consent of Conference, and bring or send them to the place of the Conference session.

IX. The Secretary, Statistical Secretary and Treasurer shall nominate their assistants; and the officers and managers of the different Conference societies are authorized to appoint persons to fill any vacancies which may occur during the year.

X. The Board of Conference Stewards shall report upon an apportionment to the Conference for the Conference Claimants' Fund, giving the basis on which this shall be apportioned to the districts in charges.

XI. The Auditing Committee shall report upon the distribution of funds received for ministerial support, noting each instance where the pro rata shares have not been paid to the Pastor, District Superintendent, Bishop and Conference claimants. Failure to comply with the requirements shall be sufficient cause for careful inquiry by the Committee on Conference Relation.

XII. No person shall be admitted on trial in the Conference, who is past thirty-five years of age.

XIII. No person shall be admitted on trial who can not furnish to the Board of Examiners satisfactory evidence of having completed a course of study equivalent to that of the high schools of the State of Washington.

XIV. No candidate shall be examined after the commencement of Conference without the consent of the Board of Examiners.

XV. The District Superintendents shall constitute the committee for making the Missionary Appropriations, with the approval of the Bishop pre-

siding. They shall nominate the Standing Committees, and cause the list to be published in the *PACIFIC CHRISTIAN ADVOCATE* at least one month before the Conference convenes.

XVI. When any one of our members is called from earth, it shall be the duty of the nearest Pastor, or Superintendent of the district, to notify all the preachers in the district of such death, and of the time set for the funeral services.

XVII. The Superintendent of the district, and the preacher in charge of the station where the Conference is to be held, together with the Presidents of the several Conference Societies, are instructed to arrange the program of religious exercises, and if practicable, secure their publication in the *PACIFIC CHRISTIAN ADVOCATE*.

XVIII. At each session of Conference, a publisher shall be elected to publish the minutes of the next session, who shall be authorized to make arrangements and enter into a contract for the publication in advance of the sessions. He shall also be authorized to make provision by assessment or otherwise, for meeting this expense and all other expenses incident to conference work.

XIX. The Board of Stewards shall consist of ten members, each of whom shall serve five years—two being appointed at each session of the Conference on recommendation of the Board. The Board shall organize by appointment of a President, Secretary and Treasurer, whose names shall be published, and who shall serve one year.

XX. All candidates for recognition of orders shall, unless excused by vote of the Conference, be examined in the same manner as candidates for ordination, and the Committee on Conference Relations shall inquire into the character and fitness for the traveling connection of each candidate for admission on trial, for admission into full connection, or for re-admission into the Conference. The same Committee shall report on supernumerary preachers, who desire to remain in that relation.

XXI. There shall be a meeting of the Statistical Secretaries with the Conference Treasurer at 8 o'clock on Saturday morning, for the purpose of comparing the money reported in the statistical tables.

XXII. Each District Superintendent at the close of his term shall prepare a report of his district, not to exceed one thousand words, for publication in the minutes.

XXIII. The Stewards are authorized to take annually from the pro rata due the claimants from the Book Concern a sum according to their discretion, not to exceed 25 per cent of their indebtedness to the Book Concern, until it shall be paid in full.

XXIV. It shall require two-thirds of those present and voting to change or suspend any of these rules.

XXV. Memorial Service shall be held on the second day of the Conference session each year, immediately following the administration of the sacrament of the Lord's Supper.

XXVI. All members of the conference in the effective relation, and all ministers who are changing their relation to effective, and taking appointments, all superannuates, all preachers on trial, and all supplies, who attend the sessions of the Columbia River Annual Conference must file with the secretary on or before noon of the second day of the session a statement showing the name of the person, the name of the charge from which he came, the fare paid each railroad, stage or other conveyance in coming to the seat of the Annual Conference, on a blank provided for that purpose.

The aggregate amount of these fares shall be divided by the number of persons in attendance and the quotient of such division shall be deemed the average fare. All persons who have not paid an actual fare equal to or more than the average fare shall pay to the secretary an amount equal to twice the difference between the fare he actually paid and the average fare. When all such payments shall have been made, the secretary shall pay to those who have paid more than the average fare an amount equal to twice the difference between the average fare and the fare actually paid by them, provided, that no superannuate within the bounds of the conference shall be expected to contribute to the equalization, but may reap any benefit accruing to him therefrom.

XXVII. Roberts' Rules of Order shall be the standard of parliamentary usage.

Appointments

I

LIST OF APPOINTMENTS

The names of undergraduates are printed in *Italics*, the names of supplies are enclosed in (Parenthesis). The figures in the first column indicate the number of the charge, those in the second column show the amount of missionary money *apportioned* to the charge, and the figures in the third column give the year of service in the charge entered upon by the pastor appointed. For P. O. addresses see Conference roll. All charges in Washington, unless otherwise indicated.

A copy of this Official Journal, with these Appointments, is deposited with the Clergy Ticket Bureau in Chicago, and the applicant may refer to his number and page without sending other evidence.

Since every superannuated Preacher is held in honor as Pastor Emeritus of every Charge he ever served, in his enforced retirement he is to be given the place of honored precedence. By law, as a retired soldier of the Cross, he has a seat and vote in the Quarterly Conference of his residence, and the whole Church plans his comfortable pension as

VI RESOLUTIONS AND REPORTS

I

Resolutions

CHURCH FEDERATION

Resolved, That a committee of three shall be appointed to meet with a like committee to be appointed by the Columbia Conference of the Methodist Episcopal Church, South for the purpose of considering any case of unnecessary competition, or possible federation and co-operation of churches, within the identical territory of the two conferences. Adopted.

GABRIEL SYKES,
CLARENCE O. KIMBALL.

RACE TRACK GAMBLING

Whereas, New York, Florida and California have joined their sister states in destroying the last legal stronghold of that gigantic evil known as race-track gambling, and already it seems evident that this outlaw evil, with its financial and moral ruin specially marked by the suicides grave, is re-establishing itself in Idaho territory within the bounds of this conference,

We hereby express our eternal enmity to this vice and pledge our moral and political efforts to its overthrow. Adopted.

JOHN E. WILLIAMS
M. A. COVINGTON.

ORGANIZED LABOR

Resolved, That we, the Columbia River Conference in annual session, do congratulate the laboring people of the state on the success of their attempt to gain an eight-hour law for labor, on the passage of a workingman's compensation law, that we commend the effort to secure the enactment of a proper child labor law, and pledge our support in gaining for industrial society a just and Christian basis. (Adopted).

INTER-STATE FAIR

Whereas, It has come to our knowledge that the managers of the Inter-State Fair Association have decided to open the gates of the fair this year on the Sabbath Day and,

Whereas, We believe that such action is opposed to good morals, and if carried out will exert an unwholesome influence upon our people and will tend to inspire a spirit of irreverence and lawlessness, and

Whereas, we believe such action would be a violation of the spirit of our state law, and in direct opposition to the higher law of God; therefore be it

Resolved, That we, the members of the Columbia River Conference, of the Methodist Episcopal Church do hereby record our most emphatic disapproval of this proposed disregard of the laws of the state and the sanctity of the Lord's Day, and that we pledge our most earnest and persistent opposition to such a movement. Be it further

Resolved, That we urge the managers of the fair to reconsider their action, and in harmony with the law of our state, and in obedience to the law, close the gates of the fair on the Sabbath Day. (Adopted).

WALTON SKIPWORTH.

TELEGRAM OF PROTEST

Spokane, Washington, August 30, 1911.

To His Excellency, President Taft,

White House, Washington, D. C.

Honored Sir:—The Columbia River Conference of the Methodist Episcopal Church, now in session in this city, today adopted a resolution protesting against the *honorary presidency* of Secretary Wilson at the Brewers Congress in Chicago in October next. Our secretary will send you full text of the resolution.

Respectfully,

HENRY BROWN.

PROTEST

Resolution of protest against the official recognition of the Second International Brewers' Congress by the United States Government.

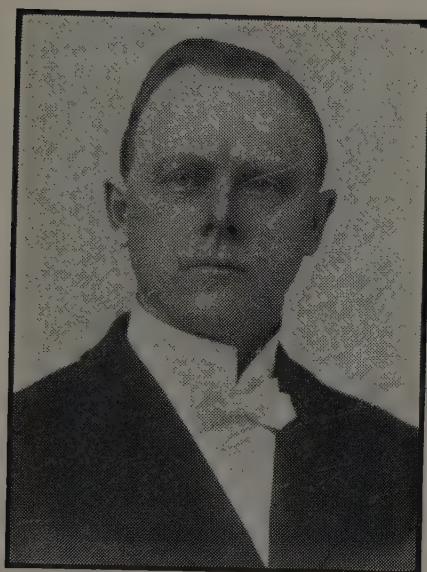

Whereas, A prominent organ of the liquor trade—The Brewer and Maltster—in its issue for July 15, 1911, contains the following:

"The Second International Brewers' Congress, and the International Barley and Hop Prize Exhibition, which will be held in Chicago October 12 to 22 next, have received the official recognition of the United States government"—And further:

"The secretary of agriculture, the Hon. James Wilson, will be the honorary president of the International Brewers' Congress." Therefore be it

Resolved, First, That while we recognize the fact that the wretched partnership which obtains between our Nation and the liquor business, makes it necessary for the government to take notice of, and deal with, the nefarious traffic along the ordinary lines of administration, yet we fail to find any justification whatsoever for the "official recognition," and tacit endorsement, of a "brewers' congress," in Chicago, or anywhere else, by the government of the United States, or by the head of any department of the government, and we shall most certainly regard the honorary presidency of Secretary Wilson at the abovesaid "brewers' congress" as a gratuitous insult to the organized protestant Christianity of our country.

Resolved, Second, That we most respectfully urge his excellency, Presi-

ROBERT WARNER, D.D.
Delegate to General Conference

dent Taft, to use his influence, and interpose his authority, to prevent this shameful prostitution of the dignity and authority of one of the highest officials of the Nation; and

Resolved, Third, That we authorize our secretary to forward a copy of this protest to President Taft, with the compliment of this Conference. (Adopted).

HENRY BROWN, Chairman.

APPRECIATION

We desire to express our appreciation of the labors of C. E. Gibson, superintendent of the Spokane district, and of W. A. Betts, pastor of First Church, who have so graciously arranged for our Conference; and of the most hearty and unbounded hospitality of the loyal people of Spokane.

We appreciate the kindly feeling evidenced by our sister churches and are much indebted to the Central Christian Church and our own Vincent Church for the use of their buildings.

We desire to express our appreciation of the many courtesies shown us by the press of the city and the various railroads; the many favors granted us by the banks; the hotels; the Northwestern Business College, and the editor of the Pacific Christian Advocate. We most heartily express our appreciation of the excellent music rendered by Dr. R. A. Heritage and his helpers.

We are greatly indebted to Dr. Charles B. Allen who has proven himself to be a spiritual uplift to the entire body of our Conference in conducting the Pentecostal Services. We desire to express our gratitude to the secretaries and treasurer, who, together with their helpers, have so efficiently and in such a painstaking manner performed the various duties of their office. Be it further

Resolved, That we welcome the return of our beloved resident bishop, Charles W. Smith, as the presiding officer of this Conference for another year. We appreciate the fair, courteous and dignified way in which he has directed the proceedings of our Conference, and the faithful and painstaking supervision of our work in the interim of our session. (Adopted).

G. W. BRADLEY, Secretary.

ORGANIZED LABOR

Resolved by the Columbia River Annual Conference of the Methodist Episcopal Church, now in session in the city of Spokane, that we congratulate organized labor upon the successful issue of its fight for the Laborers' Compensation law, now written on our Statute Books, also the Eight Hour law for female workers, and promise our moral support to the end that these righteous laws shall be impartially enforced, and to the further end that a comprehensive Child Labor law be enacted. And be it further

Resolved, that we invite organized labor to send fraternal delegates to the sessions of this Conference promising to extend to such delegates the rights and privileges of fraternal delegates everywhere.

Resolved, further that if organized labor shall invite this Conference to send fraternal delegates to its federated convention in January, that the Ministerial Association of Spokane be empowered to make the selection of these delegates on behalf of this Conference. (Adopted, re-considered, referred, withdrawn).

L. N. B. ANDERSON.

Reports

COMMITTEE ON EDUCATION

Your committee on education beg leave to report: As in her beginning and her past, Methodism has regarded mental culture as second only to spiritual experience, so in the present struggle for the future conquest of our land and the world, still greater must be her care for thorough education. We, therefore, gladly present the successes of our institutions.

I. BOARD OF EDUCATION

We most heartily commend the excellent work for higher Christian education which is being accomplished for the church through the board of education. We recommend that Children's Day be observed and a collection taken in every charge according to the discipline. It should not be a "Flag Sunday," nor "Flower Sunday," merely, but rather a day when the doors of the Christian college should be made to open wide for the Christian youth.

II. WILLAMETTE UNIVERSITY

We call attention to the following facts, that Willamette University has just closed her 67th year; that many eminent men are numbered among the alumni; that her standards are equal to any institution of higher learning in the Northwest; that it has access to 90,000 volumes in state, city and its own libraries; that its faculty will stand comparison with any faculty; that it has had a fine increase in students the past year and the greatest prospects for an increased attendance that it has ever had; that it has a University on one campus consisting of a College of Liberal Arts and Schools of Theology, Music, Law, and Medicine; that its work is accepted in the great universities of the United States.

The success of the present endowment campaign for Willamette University, means a \$500,000 endowment, another building to cost at least \$50,000, making property worth \$500,000, thus giving Methodism a million dollar university in the Pacific Northwest.

We rejoice that the campaign for such endowment is meeting with great sympathy and support in the patronizing territory of the institution. The pledge of \$100,000 by Hon. R. A. Booth, of Eugene, Oregon, has been supplemented in the past year by the pledge of \$50,000 by Mr. James J. Hill, president of the Great Northern Railway, and by additional pledges aggregating over \$50,000; so that, at present, over \$200,000 are conditionally pledged on securing about \$225,000 more.

We re-affirm our resolution of last year whereby "we pledge our earnest co-operation in securing 'these gifts' for Christian education."

We pledge ourselves to do all in our power, and call upon our laymen, to aid in making this campaign a glorious victory for the honor of Methodism and for the strengthening of the Kingdom of God. We will welcome President Fletcher Homan and Vice-President Edward H. Todd,

and other representatives of Willamette University to our charges in the prosecution of this campaign.

We nominate the Rev. C. O. Kimball for trustee whose term to expire 1913, and Nathan Evans, pastor at Hood River and The Dalles as visitors to the university.

III. KIMBALL COLLEGE OF THEOLOGY

has had an encouraging measure of prosperity during the past year. With the increased expense involved by the addition of one professor to the faculty, the contributions of its friends have been sufficient to pay all bills, so that the school will enter the new year without a dollar's indebtedness. Professor E. C. Hammond has justified the expectations of the trustees by a year of faithful and efficient work. Professor Sherwood has proven his ability as instructor and the school is to be congratulated on having a man of his high scholarship and devotion to his work, in its faculty. Five young men were graduated in June. The prospect is good for a large entering class this fall.

We nominate Reverend M. H. Marvin for trustee.

IV. THE UNIVERSITY OF PUGET SOUND

The attendance has shown a substantial increase; the total enrollment being 498, an increase of over 90 per cent, in the College of Liberal Arts in two years. Reports from the field workers show that general satisfaction prevails throughout the state as to the efficiency of the faculty in the methods of instruction.

The courses offered equal, in kind and character, those of any other institution in Washington. The faculty are graduates from leading universities in the East and in Europe. A four years college course in Commerce, a department of Domestic Science and Household Art, a Psychological Laboratory and Educational Clinic, a course in Sunday School Teacher-training all represent advances in departmental work.

An aggressive Y. M. and Y. W. C. A. organization, an active student's prayer meeting, and a revival with no less than 35 conversions represent the religious spirit of the school.

The finances of the institution are upon a substantial business basis. An endowment campaign has been launched and is now making satisfactory progress.

Never in the history of the school have so many business men throughout the state and in the city of Tacoma come forward with propositions for financial help. The prospects for the coming year, both as to students and financial support are most encouraging.

We nominate U. F. Hawk for trustee, term to expire 1914. W. H. Selleck, W. H. H. Forsyth, Charles MacCaughy, as visitors from this conference.

The committee makes the following recommendations; that an amount equal to 15 cents per member be apportioned to the various charges of our conference, and that it be distributed as follows:

1. Eighty per cent to go to the Willamette University from all charges in the state of Oregon within the bounds of this conference.

2. Eighty per cent to the University of Puget Sound from all charges in the state of Washington and that portion of the state of Idaho in the bounds of this conference.

3. Twenty per cent from all points to the Kimball School of Theology.

W. B. YOUNG,

Chairman.

PAUL LITTLE,

Secretary.

CHARITIES AND REFORMS

In the state of Washington last year more than 2,000 neglected, homeless and dependent children appealed to the public for sympathy and help. In the state of Idaho a like proportion also called for aid.

The Washington and Idaho Children's Home and Aid Societies have been taking care of these children in our territory. While non-sectarian they are avowedly Christian, and have in the largest measure the co-operation of the evangelical churches in this child-saving work.

We believe the work of these societies in placing such children in Christian homes, under supervision, and in its work of investigating all cases reported of cruelty and abuse, offers the best solution of the neglected child problem.

In view of the fact that appeals are made in different communities by irresponsible, fraudulent and incompetent individuals and associations for aid in similar work, and the fact that children carelessly placed by such agencies are often found in need of protection, and in view of the effective work and the offer of these organizations to do all the work necessary for the welfare of neglected children, we, therefore, heartily pledge our undivided support to the Washington and Idaho Children's Home Societies in their great work.

W. J. WHITE, Chairman.

BIBLE CAUSE

We wish to record our high appreciation of the work done by the American Bible Society. It translates, prints and circulates the Bible in 112 languages, employing 1025 Bible Missionaries. Its work is carried on by 9 home and 12 foreign agencies.

On the Pacific Coast, in Nevada, Oregon, Washington and California the society has 26 Bible Missionaries who have sold and distributed over 56,000 volumes in 53 different languages. This work has been almost wholly done in the most needy fields of religious effort, among the foreigners, in the slums, in mining and lodging camps and on the frontier.

Since the completion of the endowment fund and the receipt of two large legacies an impression has grown up that the Bible Society is now provided for and well equipped for larger service. Such an impression will be corrected by realizing the greatness of the work. One billion people are still without the scripture. The income from invested funds provides only for one-seventh of the expense, so that the society is still largely dependent upon church collections and donations, \$250,000 being needed before March 31, 1912.

Let us meet our apportionments promptly in order that this great work may be carried on in the fields that are white unto the harvest.

C. M. CARSON, Chairman.

STATE OF THE CHURCH

We rejoice in the reports that have come to us from many sections of the field, of "Times of refreshing from the presence of the Lord," while we yearn with deep regret that too large a number of charges have not been thus visited.

We believe that revivals of Pentecostal salvation bringing a clear assurance of sins forgiven and renewal of the spiritual nature, are vital to the progress of our holy religion and the advancement of our beloved Methodism. We also believe that the plain, earnest, faithful preaching of the pure gospel of Jesus, accompanied by wise methods of invitation and earnest prayer and supported by a consistent and united church, will always secure the help and co-operation of the Holy Spirit and thus bring the revival.

We most earnestly urge all our ministers and people to consistently and persistently oppose the rising tide of Sabbath desecration, worldliness and indifference and to encourage and advance by all practicable means, the time honored and heavenblessed institutions which, under God have wrought such blessed results in the past and for which no adequate substitutes have thus far been found, viz.: The Class Meeting, The Love Feast and the Family Altar.

We trust that all questions that may arise in the minds of our preachers pertaining to the authenticity and veracity of the Holy Scriptures, may be settled outside the pulpit and that in all cases, the trumpet that calls our people to the battle against sin, may give no uncertain sound.

ALBERT W. LUCE, Chairman.

THE WOMAN'S HOME MISSIONARY SOCIETY

Your committee wish to submit the following: The importance of this unique organization can scarcely be exaggerated. The splendid work which is being accomplished by these faithful women is realized throughout the whole connection. We therefore recommend that a local society be organized on every charge within the bounds of the Columbia River Conference. We express our appreciation of the splendid labor of the conference officers, and to show such appreciation we extend to them a cordial invitation to visit our churches.

THOMAS LAWSON, Chairman.

Whereas, recognizing the great benefit coming to the homes of our frontier preachers by the gifts of supplies in the Missionary boxes and barrels, through the auxiliaries of our Woman's Home Missionary Society, we desire to record our gratitude to them for their kindly ministry.

Resolved, That as a large part of our territory is still primitive, and in the pioneer stage and the appropriations of the Board of Home Missions and Church Extension are so inadequate to meet present demands. We earnestly request our conference representative to the National Convention of the Woman's Home Missionary Society to receive, if possible, the adoption of the Oregon plan of allowing the funds collected by our auxiliaries to be applied in sustaining those pastors placed on frontier fields.

O. W. MINTZER,
W. E. ARMFIELD,
WILL A. BETTS.

EPISCOPAL FUND

Your committee finds that the amount raised for the Episcopal Fund this year, is \$1,432, which is an advance over last year of \$61.

JAMES W. POOLTON.

FREEDMAN'S AID SOCIETY

Your committee on the Freedman's Aid Society beg leave to report as follows:

We recognize in the Freedman's Aid Society a most vigorous and aggressive agency of our Methodism for the spreading of christianity and culture through our southern border states, among the freedmen.

We commend the worthy work done by the 23 schools and colleges under its control; these are at strategic points; and their very success makes greater demands upon us, which should be loyally met.

Therefore we recommend that Lincoln Sunday be observed on all our charges and that the apportionment of \$1490, made by the general committee, be the minimum that we will attempt to raise for this worthy cause.

Further, we commend the work done by the general secretaries of this society.

G. A. TYLER, Chairman.

BOOKS AND PERIODICALS

Again we desire to commend our book concern for the large display of well selected volumes by the best authors. Also we are gratified at the increased business of the book concern, and again urge upon the pastors the patronage of the branch office at San Francisco.

We are well pleased with the new Sunday Hymnal that has been brought forth by our publishing house, and we are sure that it will find a place in the great majority of our Sunday Schools. We also express our appreciation of the reception of our graded Sunday school course in our Sunday School, and heartily commend it to schools not now using it.

Although Dr. Daniel L. Rader, editor of the Pacific Christian Advocate was not a member of this Conference, yet we esteem it our pleasure and privilege to express our highest appreciation to his life and service rendered to the church. We esteemed him as a brother. We recognized in him a worthy leader and a constant benediction. He was courageous in defense of his convictions and loyal to his church. We have suffered loss and our hearts are saddened.

The report of the Pacific Christian Advocate, through its editor, Mr. Robert H. Hughes, shows a most gratifying condition. The fact that the paper will cost the book concern \$11,000 less this quadrennium, than the last quadrennium, shows grounds for congratulation for the management and reassurance as to the future of the paper. We pledge the editor our heartiest support in the effort to increase his subscription from 8,000 to 10,000 before the close of this quadrennium. We hereby express it as the sense of this body that this paper is essential to the welfare of the church in the Northwest.

We suggest that the management be a little more careful in the selection

of its advertisements, that advertisements containing amusements that are prohibited by the church be eliminated.

J. A. SMITH.

EPWORTH LEAGUE

The Epworth League is one of the two great organizations upon which depends the effectiveness of the church of tomorrow. We congratulate the church that the Epworth League is still growing in numbers and still more in achievement. During the last quadrennium, 1500 charters have been issued, the league has become self-supporting and has taken over its own publications which promises to help the chapters by giving to them a more efficient literature.

Whenever a local chapter has the support of a sympathetic pastor, it becomes one of the most valuable resources of the church.

We wish to recommend the district and sub-district conventions as a means of bringing the young people into closer relationship, and inspiring them to more aggressive service in the Lord's vineyard.

We believe that the institute method of training the leaders of the several chapters to be the most thorough and far-reaching agency that has ever been instituted during the existence of the Epworth League. These institutes are conducted by faculties who are pre-eminently fitted for the task. The pastor can well afford to take great interest in the institute and urge the chapters to send delegates from the several departments that they may be trained for service. We urge the conference to lend its support in securing an institute for the summer of 1912.

The institute that was conducted at Liberty Lake, Washington, from June 19th to the 26th was a real success and we congratulate the Spokane District Epworth League upon making it a reality and thus bringing to the many chapters who sent delegates a new and broader vision of the real possibilities for more effective service and a hunger for a deeper Christian life.

ANDREW WARNER.

BOARD OF SUNDAY SCHOOLS

The Conference Board of Sunday Schools is pleased to note the achievements in the work of our Sunday School Missionary in the organization of 26 new Sunday Schools, out of which have grown the organization of eight new churches, and the building of three new churches at a cost of \$5,400. This material increase in the church property proves the amount of the salary of the Sunday School Missionary to be a good investment.

We are pleased to have had the presence of Dr. Blake, Dr. Lewis and Mrs. Lamoreaux, and much appreciate the services rendered by them in their attendance upon the Sunday School Institute held in this city.

We note the change of official title of our Sunday School Missionary to that of conference superintendent of Sunday Schools.

We recommend the departmentizing of the work in our Sunday Schools, the use of the graded lessons and the observance of rally day. We heartily endorse the plan of our conference superintendent of Sunday Schools, of holding grouped institutes in the various localities in the conference.

H. C. CLARK, Secretary.

AUDITING COMMITTEE

The auditing committee has complied with Rule 11, by examining the accounts of the Secretary and Treasurer, and find them correct. It was also ascertained that the money raised through W. J. White for the purpose of erecting a monument to Rev. H. K. Hines, has been duly appropriated. The statistics show that there are thirty charges short in their pro rata for the conference claimants, amounting to \$167.00; forty-six charges short in their pro rata for the bishops, amounting to \$236,000; twenty-two charges short in their pro rata to the district superintendents, amounting to \$322.00.

F. L. MOORE, Chairman.

WOMAN'S FOREIGN MISSIONARY SOCIETY

We heartily approve and endorse the earnest efforts of the Woman's Foreign Missionary Society, in their determination to make universal the gospel of Christ.

We have been inspired by the wholesome and refreshing addresses of Mrs. Eddy, and will welcome her to our pulpits at any time.

We also urge on the ministers the plan of placing Mite boxes in every home. As pastors we pledge our hearty co-operation to each local society and the work in general.

ANDREW WARNER, Chairman.

PRISON REFORM

There are 844 state prisoners in Washington, 70 of whom are on parole, 170 are working on roads. The remaining 604 are confined within walls at Walla Walla. John LeCornu has been the faithful chaplain during the past year.

We wish to record our appreciation of the \$25,000 appropriation for the erection of an Assembly Hall making possible larger freedom and pleasure in conducting religious service for the prisoners.

Whereas, We believe that crime as well as disease may be prevented and often cured, we commend all humane and reformatory efforts in behalf of offenders against our laws. We approve the parole system provided by our legislature by which our prisoners can go forth and by good conduct redeem themselves and take the place of useful members in society, but would recommend a provision be made for parole officers to look more closely after the conduct and welfare of all paroled men. We believe nothing relating to delinquents has had a further-reaching effect than the modern method of placing juvenile delinquents on probation under watchful and helpful supervision. And as experience in other states has demonstrated, its value, we recommend that these methods be extended to the adult delinquent by the enactment of suitable laws to that end, and that both the parole and probation system be extended for the benefit of society and the reformation of the criminal. We commend to our next legislature the creation of some form of state parole and probation commission to control and direct the adult and juvenile parole and probation work of the state.

C. C. CURRY, Chairman.

METHODIST BROTHERHOOD

We rejoice that during the past year the work among men has been growing more effective throughout our country; that men have been band-

ing themselves together for the advance of the cause of Christ as never before. We especially are rejoiced to know of the great good being accomplished through the Methodist Brotherhood to local churches.

The recommendations of one year ago to the effect that the Methodist Brotherhood be given a place on the program for this year was carried out, and in conjunction with the Laymen's Association a mass meeting for clergy and laymen arranged to follow the anniversary meetings of these two bodies.

We regret exceedingly that the conference because of the pressure of other matters set aside and thus destroyed these meetings. Especially do we regret that we were unable to have the Rev. J. G. Law and Dr. A. W. Leonard who were here to address us. We wish to thank them most heartily for their presence and for the help they would have gladly given us. We as a conference are especially indebted to Dr. Leonard who remained here for two days to make the address on the Brotherhood movement.

Realizing the value of the Methodist Brotherhood to our work we, your committee on Methodist Brotherhood, recommend that there be effected at once a conference Methodist Brotherhood, and we further recommend that the following named persons constitute the nominating committee:

U. F. Hawk, H. L. Beightol, W. H. Selleck, M. J. Perdue.

We recommend further that local chapters of the Methodist Brotherhood be organized wherever feasible and that a place be given to the Methodist Brotherhood on the program of the next annual conference.
N. S. HAWK, Chairman.

TEMPERANCE

The liquor traffic is the giant evil of the age, a destroyer of the race, the foe of good government, and the enemy of the Church of Jesus Christ. This Conference again records its unceasing and increasing hostility to this iniquitous, un-American so-called "business," but by the United States Supreme Court branded as a "nuisance." We thereby commend those societies whose great purpose it is to drive this enemy from our land.

1. We rejoice in the work of the Temperance Society of the Methodist Episcopal Church whose corresponding secretary is Clarence True Wilson, headquarters, 14 West Washington Street, Chicago. We hereby express our appreciation of his forceful address before this conference. We recommend that all the pastors hold suitable service on World's Temperance Day, for which the society will furnish programs, upon application. We further recommend that an offering be taken for the society. We would urge the brethren of the conference to observe carefully paragraph 444 of the Discipline.

2. We rejoice in the work of the Woman's Christian Temperance Union and the kindred reform organizations in their efforts to create a healthy civic conscience upon the temperance question.

3. Resolved, That we heartily indorse the Anti-Saloon League as the agent of the federated church in the great warfare against the saloon, and pledge to it our co-operation and earnest support.

4. Resolved, that we exhort all Christians and all voters to vote for the complete abolition of the liquor traffic, and all its kindred woes.

5. This committee recommends the appointment of D. M. Helmick and Robert Brumblay to represent the conference on the board of trustees of the Anti-Saloon League of the state of Washington and Rev. B. E. Koontz and C. W. Williams as trustees of the same for Idaho.

CONFERENCE DEACONESS BOARD

Your Deaconess Board submits the following report:

The property and the property rights of the Deaconess Home and Hospital, the Old People's Home, and the Deaconess Rest Home stand practically as they did a year ago. The property of the association is valued at \$83,000 with an indebtedness of \$19,000.

The Esther C. Finley Deaconess Rest Home, covers 73 feet frontage on Fourth Avenue, and will some day be needed for hospital purposes. It is the purpose of the association to pay for the same the sum of \$7,000 and, until paid for, the association is paying the interest on this amount for the purpose of relieving such Deaconesses as are superannuated. The Association purchased a rest home for the Deaconesses on Sinto Avenue, on which there is still due the sum of \$3,000. It is not deemed best to open this home at present, the plan being to sell this property and pay off the indebtedness.

MANAGEMENT

Miss Myrtle Berkey is superintendent of the home and hospital. The financial report of the treasurer for the year ending June 10, 1911, shows: receipts, \$38,348.79; expenditures, \$37,792.01; balance on hand \$555.78.

The Old People's home began the year under the superintendency of Mary A. Curnick, who was obliged to give up her work last winter. Mary Curnick was succeeded by Mrs. Julia Seyforth, and she in turn was succeeded by Ella May Harris. The fiscal year ending June 1, 1911, closed with a balance of \$439.61. The management is now in the hands of Alice R. Denno, the newly appointed superintendent.

RENEWAL OF LICENSES

We hereby certify that we have renewed the licenses of the following Deaconesses, according to the recommendations of their respective quarterly Conferences: Myrtle Berkey, Mary A. Curnick, Ella May Harris, Dolly E. LaDuke, Carrie Giles, Ruth Graham, Alma Swanson, Jennie Sergeant, Mary Stevenson, Minnie Baker, Fannie Wattam, Elizabeth Black, and Stella Alexander.

We recommend for consecration Alice R. Denno. We recommend that Minnie Baker be granted a leave of absence of three months; that Mary Curnick be granted a leave of absence of one year; and that Nellie Randle be given an honorable discharge.

We also certify that we have confirmed the assignment of the Deaconesses as made by the local board.

RECOMMENDATIONS

Of the 184 appointments in the conference only 74 contributed last year to the support of the hospital. Sixty-nine of these paid on old subscription and only five made new subscriptions, the total contribution

amounting to \$600. The hospital did free work to the amount of \$4,000, \$1,000 of which was for the benefit of our ministers and their families.

Therefore the Conference Deaconess Board offers the following recommendations:

1. That an agent be appointed by the local board as field agent for both the Deaconess Hospital and the Old People's Home.
2. That collections be taken at our communion services for the Deaconess Hospital and the same to be sent directly to the hospital to help cover expenses of free work done by the institution.
3. That the district superintendent in each quarterly conference, under the heading of "other business," shall inquire if this collection has been taken.
4. That a column be opened, for hospital offerings, under the head "Other Benevolent Collections."

We desire to commend the efficient and the beneficent service of the superintendent of the Deaconess Hospital, and of her faithful corps of workers.

We appreciate the untiring efforts of the local board, and commend the wise and economical management of the affairs entrusted to their care. We bespeak for the management of this Christian institution, the most hearty support of our people.

CONFERENCE DEACONESS BOARD

We recommend for confirmation as members of the Conference Deaconess Board:

One year term—T. H. Fertig, W. S. Turner, Mrs. W. D. Ellis.

Two year term—Mrs. R. K. Keene, J. O. Johnson, R. D. Snyder.

Three year term—H. E. Greening, John G. Law, Mrs. J. D. McLean.
T. H. FERTIG, Chairman.

Memorials

CONCERNING SUPERANNUATES

Whereas, The next quadrennium—1912 to 1916—includes the 150th anniversary of the beginnings of American Methodism, and

Whereas, The tremendous growth of Methodism, from the beginning until now, has been due in a very large measure to the self-sacrificing devotion of a traveling ministry that is presented to us of today chiefly by the surviving five thousand superannuated preachers and widows of our fallen brethren, and

Whereas, in the past, the Methodist preacher has forever been giving the right of way to all the great causes dear to his heart, making but little provision for himself when he shall enter the ranks of the superannuates, therefore be it

Resolved, That we memorialize the general conference of 1912 to assign to the church during the coming quadrennium the holy task of increasing the yearly support of conference claimants throughout the connection so that every superannuate and claimant may have a "comfortable support;" that in order to make such "comfortable support" more tangible and secure throughout the coming years, we earnestly urge the general conference to call upon our people during this historic quadrennium for a *million dollars* for the "Permanent Fund," in addition to all other funds; that, in order to secure these ends, the legislation concerning the board of conference claimants be so strengthened that the board may have ample available funds with which to prosecute the campaign, and that we request the bishops to urge the need and desirability of this great movement in the Episcopal address for 1912.

HENRY BROWN.

CONCERNING COLLEGE CREDITS

Resolved, That the New York East Conference memorialize the general conference to so amend Chapter VII of the Appendix of the Discipline of 1908 that certificates of work done in educational institutions other than our own may be accepted, at the discretion of the annual conferences; provided that, in such cases, special and careful attention be given to the examination on personal attitude to our doctrine and discipline.

CONFERENCE BOUNDARIES

Resolved, That we respectfully request the coming general conference not to disturb our present conference boundaries for the coming quadrennium, either by addition, subtraction, or division, but to leave them intact.

Reports of District Superintendents

(A)

REPORT OF GABRIEL SYKES

Retiring Superintendent, Walla Walla District

I beg to present the following review and reflections concerning my six years' superintendency:

During these six years I have tried to remember (1) That the church must take precedence of the man in recommendations for appointments, (2) That there are three who have the right to express their opinions to the bishop concerning an appointed: (a) the church, (b) the pastor, and (3) the district superintendent, (3) That pastors are entitled to know what appointment, in each case has been suggested.

With such principles it has been easy to place the needs of our entire conference territory above those of the Walla Walla district. This has given me the pleasure of a much wider acquaintance than the present number of pastors. There is also a large number of laymen whose homes have been rich in hospitality and christian fellowship. To all I desire to express my gratitude for unnumbered kindnesses and courtesies. In the way of service I have given such as I was able and no one knows better than myself its inadequacy for the tasks which have confronted us.

We closed the first year of the six, 1906, with 27 appointments; we have now 33. At that time we were preaching in 51 different places; today we are preaching in 65. Then we had 42 church buildings; now we have 48. We can now show 34 parsonages, whereas we had 24 five years ago. The total estimated salaries at that time amounted to \$18,642, an average of \$690. The total for this is \$26,538, an average of \$841, or an increase in the average estimate of \$151.

In 1906 the Conference Journal gave us credit for 2798 full members. The pastors reports show for this year 3538, an increase of 710 for the five years. Enrollment of Sunday School scholars; then 3269, now about 4000, an increase of 731.

The total amount of benevolences five years ago was \$2,884. One year ago, since I do not have the figures for this year, \$4,579, an increase for 1910 over 1906 of \$1,695.

During the entire six years we have paid on indebtedness \$49,908. Our present debt is \$21,336.

The value of our property in 1906 was \$168,950, while today it is \$262,225, an increase of \$93,275.

The inspirational methods of the revival have been used in every charge and on several occasions during this period, and the results have deepened

my conviction that, unless we take some such care in training converts as we are exhorted to use in the teaching of our Sunday School, the great percentage of loss will continue. Although it has been impossible to obtain accurate accounts of all revival meetings, one may safely assert that the gathering and keeping of all the converts reported on this district for six years would have increased our membership fully 700 beyond what it is today.

The great difference in salaries indicated by \$450 at one end and \$2000 at the other, and the memory of persistent effort among the churches to bring the minimum up to a fair living have brought home the truth that we are less co-operative and connexional at this point than we are at almost any other. I would like to believe that we preachers are ready to relinquish something from our larger salaries to ensure a living to the men on the frontier, then it would be easier to eliminate the man who fails to grow with the greater needs of his charge and possible to insist upon a higher standard of efficiency. Surely some plan could be devised that would not call for any loss of self-respect, and which would prevent the stifling of convictions that bread might be sure.

Another movement which would exercise some influence upon the matter of remuneration as well as greatly improve our religious experience is that of denominational co-operation which is the crying need of our small towns, villages, and country districts. If our coming general conference will throw our great church heartily into the federation movement all over the country it will accomplish in religious families something analogous to the splendid achievement of our peace-loving president in his epoch-making treaties of arbitration among the families of nations.

For the further advance in ministerial effectiveness—and this has been deeply impressed upon me by observation over these six years—I trust the days is not far distant when our denomination will allow the “supply” and the preacher on trial to perform not only the highest work of the ministry—preaching the gospel—but will also say, you may have all the prerogatives of a minister while in charge of a congregation. I regret that it has not been my privilege to introduce for admission to conference more than eight young men in these six years.

In conclusion let me express the hope that some day the burden of responsibility, which I gladly lay down, may be lightened by the sending of a layman from each charge to aid the district superintendent in advising the bishop.

WALTON SKIPWORTH, D.D.
Retiring Superintendent The Dalles District
Delegate to General Conference

(B)

REPORT OF WALTON SKIPWORTH

Retiring Superintendent, The Dalles District

During the past six years there has been much railroad building within the territory of this district. The splendid North Bank along the Columbia, the Great Southern from The Dalles to Dufur, and now stretching from Dufur to the woods beyond; the Oregon Trunk and the Harriman lines each with tracks one hundred miles up the awful gorge of the Deschutes and penetrating Central Oregon, the Milwaukee railroad and the longtime mysterious North Coast, now spreading everywhere over the Yakima Country and doing almost a street car business in that fertile section. I need not stop to tell this conference what the building of these new lines of railway means to The Dalles district in the development of the country, in the building of new communities and new towns, in creating the possibilities and bringing in demands for new circuits and stations, and what these railroads mean to the district superintendent in better facilities of travel.

Many excellent meetings have been held in the several charges the present year and numbers of conversions reported. Arlington, Bickleton, Goldendale, Grass Valley, Kennewick, Mabton, Moro, Prosser, Redmond, Finley, Selah, West Kittitas and some other charges have engaged in these special services and were blessed with seasons of refreshing from the presence of the Lord. Prosser and Kennewick shared in the glorious results of wonderfully successful union meetings conducted by Evangelist Johnson, of the Presbyterian church.

Sunnyside at a cost of \$3000.00 has enlarged her church edifice with an addition especially planned and admirably adapted to Sunday School purposes. The district is much stronger and better equipped and prepared to do the work of the church than it was six years ago. This may be of some honor to us, yet it would be a disgrace to all hands concerned if it were not so. True, that some small charges have died, but their death is due to a totally changed condition of things in the sections of country where they were once established. And no charge has been relinquished until it seemed perfectly fruitless and wasteful of time, of energy and of missionary money to continue thereat any longer. Organized work of the church has been established at the following new places: Alderdale, Grand View, Springdale, Madras, Redmond, Bend, Richland, Finley, Selah, White Salmon. Mabton was only an occasional preaching point; now it is a well organized charge. Last year Grand View was separated from the Mabton circuit and became a station of itself. This year Bend and Redmond will divide and each stand at the head of a work. Finley and Richland will do likewise.

Churches have been built and dedicated or are about ready for dedication as follows: At Locust Grove, Oak Grove, Pine Grove, Mountain Brook, Grand View, Finley, Kennewick, Springdale, Kiona, Madras, Mabton, Redmond, Prineville, Odell, North Yakima, Blue Light, Selah, Sunnyside, Carson, White Salmon, Pendleton, twenty-one churches in all with a valuation of about \$140,000.00. Pendleton was taken out of this district three years ago. The Mountain Brook, Kiona, Blue Light, Kennewick and North Yakima churches were started under Dr. Booth's administration. The Heppner church is practically a new one made out of the old building,

so extensive were the re-arrangement and repairs. We have also purchased one of the best sites in the town of Bend and procured lots in Richland. Then too, the district has done something in the way of building and buying parsonages: At Grass Valley, Pine Grove, Kennewick, Liberty, Mabton, Madras, North Yakima, Sunnyside, Toppenish, White Salmon—ten, valued at \$27,600.00; added to \$140,000.00 gives \$167,600.00 in new churches and parsonages.

Under God's good providence and guidance the honor of the work done on The Dalles district, the honor of all the achievements and successes is due to faithful, devoted, efficient pastors and laymen, though I have wrought with them according to my strength and abilities, I am truly grateful for the courtesies and kindnesses shown me in the quarterly conferences and church services, for the respect and warm welcome felt in the parsonages, for the cordiality extended in the homes of the people, for the confidence and support of the ministry and the laity. Heaven's richest blessings be upon them, one and all.

RECOMMENDATIONS

1. We commend the word of the Board of Conference Claimants and greatly rejoice in the steady advance made in the work by this board.

2. We cannot too strongly urge the observance of the "Veteran's" Sunday at some time during the conference year in the interests of the claimants. We also recommend the use of the literature provided by the board of this service.

3. We call attention to the necessity of the benevolent side of this work, and urge each pastor to comply with the request of the board, in taking a collection for this fund, equal in amount to at least one per cent of the ministerial support, aside from the 2½ per cent taken for our own claimants.

4. We greatly rejoice that this year we are able to increase our Annuity from \$6.00 to \$8.00 per year, and urge the necessity of, as soon as possible, bringing our conference up to the full disciplinary annuity, which at this time is \$12.00 per year.

A. MONROE, Secretary.

Minutes of the Laymen's Association

VINCENT CHURCH, SPOKANE, WASHINGTON, AUGUST 31, 1911

Immediately on the adjournment of the Lay Electoral Conference, L. J. Campbell called the meeting of the Laymen to perfect a Laymen's Organization for the Columbia River Conference.

Prof. Elton Fulmer, of Pullman, Washington, was elected chairman and L. J. Campbell, of Walla Walla, Washington, secretary.

It developed that there has been a committee on by-laws appointed from the last Annual Conference, and the report of that committee was adopted with the following amendment to Article 3.

A motion was made and carried to amend Article 3 so that membership shall be a delegated membership, consisting of one member from every church in the conference and one additional member for every one hundred members of the church. The following officers were elected:

W. H. Foster, president, Spokane, Washington.

Vice-Presidents.

J. W. Olney, Latah, Washington

John L. Hughes, North Yakima, Washington

H. Clingman, Spokane, R. F. D.

C. T. Deets, Odessa, Washington

D. H. Cox, Walla Walla, Washington

John Sarginson, for permanent secretary.

L. J. Campbell, for permanent treasurer.

It was urged that every one work for a full membership and attendance at the next Annual Conference, and that the officers of the association are instructed to prepare a program suitable for the occasion. There being no further business the association adjourned.

L. J. CAMPBELL, Secretary.

CONSTITUTION OF LAYMEN'S ASSOCIATION

ARTICLE I. NAME.

This association shall be called the Laymen's Association of the Columbia River Conference of the Methodist Episcopal Church.

ARTICLE II. PURPOSE.

Its purpose shall be to stand shoulder to shoulder with the ministry of the church; to work for moral, social and temperance reform; to cultivate and maintain fraternity and union with other organized religious bodies; to discuss questions essential to the welfare of our denomination and generally to aid in promoting and building up the Kingdom of our Lord Jesus Christ.

ARTICLE III. MEMBERSHIP

Shall be a delegated membership, consisting of one member from each church and one additional member for every 100 members of the church, elected by the church as they may see fit. ARTICLE IV. OFFICERS.

The officers shall be a president and one vice-president from each district of the conference, a secretary and treasurer.

The officers shall perform the duties and exercise the functions that generally pertain to such officers in other bodies where their duties and powers are not defined by this constitution or the by-laws.

The officers aforesaid shall constitute the executive committee of the association. The aforesaid officers shall be elected by ballot annually but vacancies may be filled by the executive committee to hold until the following annual election.

ARTICLE V. MEETINGS

Meetings shall be held annually on Friday of the week of the ministerial conference in the same town or city of that conference.

ARTICLE VI. AMENDMENTS.

This constitution or the by-laws may be amended at any annual meeting by a two-thirds (2-3) vote of all the members present and voting.

BY-LAWS

1.

Ten (10) members shall constitute a quorum for the transaction of business but a less number may meet and adjourn.

2.

The executive committee shall provide a program for each annual meeting; procure speakers; provide a place of meeting and make the necessary arrangements for the conducting of the annual meeting.

3.

The fee for membership shall be fifty cents and the annual dues shall be fifty cents. Members joining and paying the membership fee shall not be required to pay dues for the first year. The dues shall be payable on or before the opening of the annual session and members in arrears shall not be entitled to any of the privileges of membership.

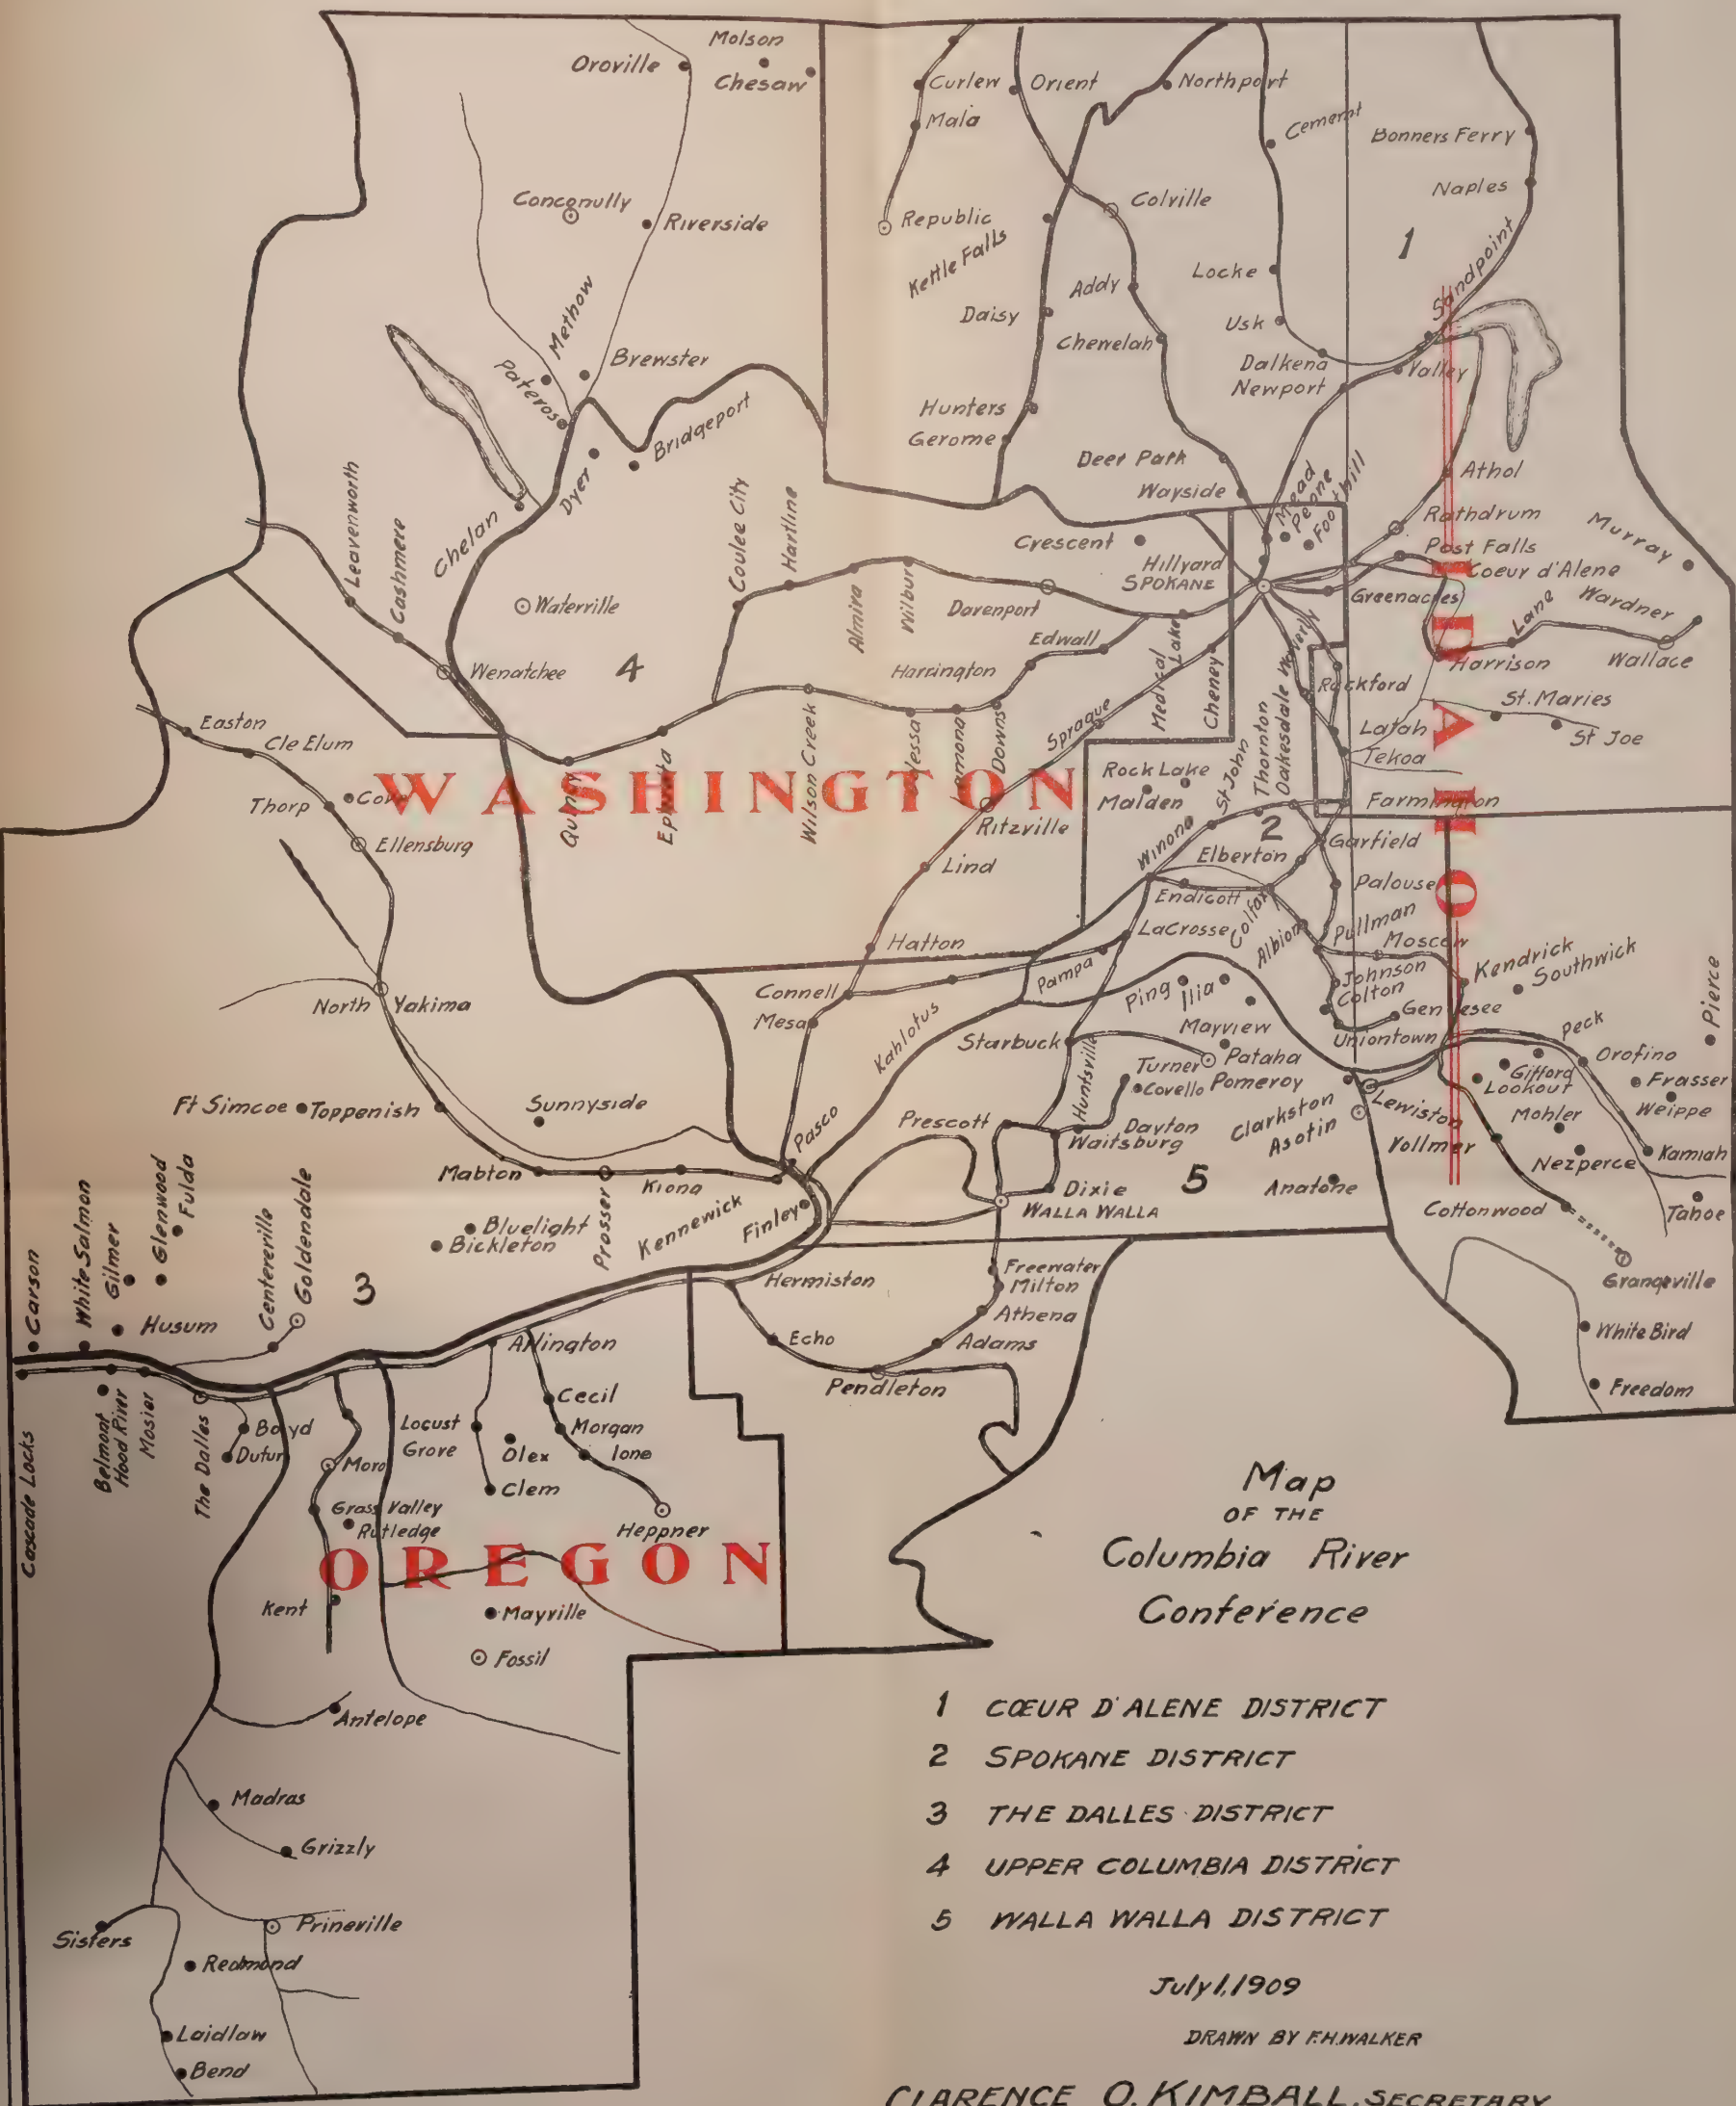

4.

The Executive Committee may provide rules for its own government not inconsistent with the constitution or by-laws. (Adopted as amended).

IS WHAT WE USE IN A YEAR IN THE **WESTERN METHODIST BOOK CONCERN** IN THE MANUFACTURE OF OUR BOOKS AND PERIODICALS. THAT FACT ALONE IS PROOF OF THE SELLING POWER OF GOOD PRINTING. WE ARE THOROUGHLY ALIVE TO THE VALUE OF GOOD PRINTING. We do not refer at all to that quality which is the opposite of cheap and indifferent. Altho' well we might. We are now emphasizing the quality of the contents of our products. Our books are on timely topics. Valuable to the preacher and layman. Written by able authors. Commendable in all respects. Our periodicals are the work of carefully selected Editorial staffs—scholars, thinkers, and experts in their respective lines. What need is there for a Methodist Episcopalian to go elsewhere for his reading for his home, his Sunday school, his Church? We would be satisfied to have the trade of our own people only. How many Methodist Preachers stop to think what this would mean to our Church? A wider field for achievement in our Church work, an increase in comforts for our roll of superannuates. The dividend from the profits of the **METHODIST BOOK CONCERN** (East and West) this year is \$200,000.

Remember, we do good typography, presswork, binding, electrotyping, mailing. We do book, job, and newspaper work in our Manufacturing Department at Cincinnati, which is under the supervision of wide-awake, thoroughly competent men. We combine artistic excellence with a high standard of technical skill. A strong proof of the quality of our work and speed of output is contained in our own publications. Our patrons are educated and waste no time on work that is not effective. We can not say it much more fully in the space of a page—the main thing is the **IDEA**. We want to impress you with the **IDEA** that our House is the House for you to come to. We appeal to your loyalty as well as your common sense.
